

Renaissance EXECUTIVE FORUMS

Jim Fontanella
CEO
Renaissance Executive Forums

Len,

In the history of our Corporation never have so many positive testimonials reached my desk from Members and Franchisees as have been received from folks you have come in contact with in our organization. Thanks for delivering value to both our Franchisees via your participation as a Resource Expert at Forum Meetings and for delivering the goods on subsequent engagements with our Members.

Special thanks also to Jim T. for introducing us to you.

JIM
